INTRO

What shall wash away my sins, nothing but the blood of Jesus
What shall make me whole again, nothing but the blood of Jesus

CHORUS

His blood Shall wash away all my sin
Bring forgiveness joy and peace down within
His blood Shall wash away all my sin
Reunite me with my father friend and my king
His blood Shall wash away all my sin
And bring forgiveness joy and peace down within
His blood Shall wash away all my sin

VERSE ONE

I've been so trapped and bound by sin, there was no way no exit
No one who gave a sense of relief, God temptations surround my life
I needed an exit Lord, and I knew there was a sacrifice
For sin was knocking at my door, but your blood made me white as snow
Reunite me to my one through God Not by might nor by power
But my the spirit of the lord

CHORUS

VERSE TWO

You made the ultimate sacrifice, stepping out of paradise
Taking man's sin to the cross, shedding your blood shedding your love
Pouring your heart out, bringing redemption that last
Jehovah Jirah there is none like you who
Provided life instead of what I was due
You gave me more than one chance, Lead me into my inheritance
Not by might not by power, but by your blood oh lord

CHORUS

BRIDGE

It's Your blood that renews me, it's Your blood saves me
It's Your blood that covers me, so I gotta give you glory
So I thank you for the blood, I praise you for the blood
I gotta give you Glory for the blood.

CHORUS
