VERSE ONE

A new day has start a new breath of life

I'm hear to lift my voice to my Christ

Jesus you're the one, the one whom I adore

The one whom I lift my praise forever

So I give you this day I give my life

To come inside and take away the strife

To heal me from my hurts and pain

So I can boldly go forth and proclaim your name

CHORUS

VERSE TWO

I get up off my feet, heading through the door

Fully energize, enhanced and restored

Ready to go out and proclaim Your name

To a dying nation going down the drain

Mih say, here I stand ready to be used

Ready to submit to the One that's true

Now anointed now from my head to my toe

Energize and ready to do battle with the sword

CHORUS

BRIDGE

Jesus made me free, so I walk in freedom, walk in freedom

Jesus made me free, so I walk in freedom, walk in freedom

Yow mih focus not on mih past, Not on mih lost. Not on the sin,

the demon try to bring. The lust of this world and material things

Listen youths to the word weh mi bring Jesus Christ you're the king

That's why mih bow down and glorify Him

A sacrifice of praise through my life I'll bring

Father God for you I will do anything
