INTRO

The line has been drawn in the sand
And today you must choose which side you
want to be on
As for me and my house, we will serve the
lord
This is your boy MD and I encourage you
Do what's right

CHO

I want to be
In army of the One who rescued me
I want to be
In the Army of the One who set me free
(2x)

VERSE

There was a man name David, writer of
many songs
Faithful and loved by God, scorn abused
rejected by Man
BUT! One day a line was drawn, YES!
Chosen to fight for ONE
Will I stand for God and see this massive
giant fall
So he stepped forward, pick up five stones
Swing Bala Bing, Bala Biling Biling the
giant fall
If you're fighting giants, hold your head up
tall
Put on your armor come on soldiers
Everybody Charge

CHO

I want to be
In army of the One who rescued me
I want to be
In the Army of the One who set me free
(2x)
