Song: Break Free Ft Anesia Peters

Genre: Reggae

Written by: Mervin Budram Jr.

CHORUS

Fighting for my freedom
mental freedom
I'm fighting for my freedom
I've gotta break free
I'm gonna break free
Lord set me free
God my freedom,
Mental freedom
Fighting for me Freedom
I've gotta break free
I'm gonna break free
Lord set me free

VERSE ONE

Too long
I've been trapped in the maze like journey
Mih fighting for my peace of mind
Mih Searching for that exit sign
Then I find myself
Wondering round and round in circles
I'm tired of this empty Cry
Elohim Adonai

PRE- CHORUS

So I lift my eyes above
Lord, I find my help in you
I draw new strength from You
it's your grace that makes me stronger
Jesus, At the mention of your name
all chains will come loose
True Freedom I find in you

CHORUS

fighting for my freedom
mental freedom
I'm fighting for my freedom
I've gotta break free
